

The General Staff of the Armed Forces of the Russian Federation

The List of War Crimes by the US and its Allies in Syria (the facts of strikes on civilian population by US-led coalition)

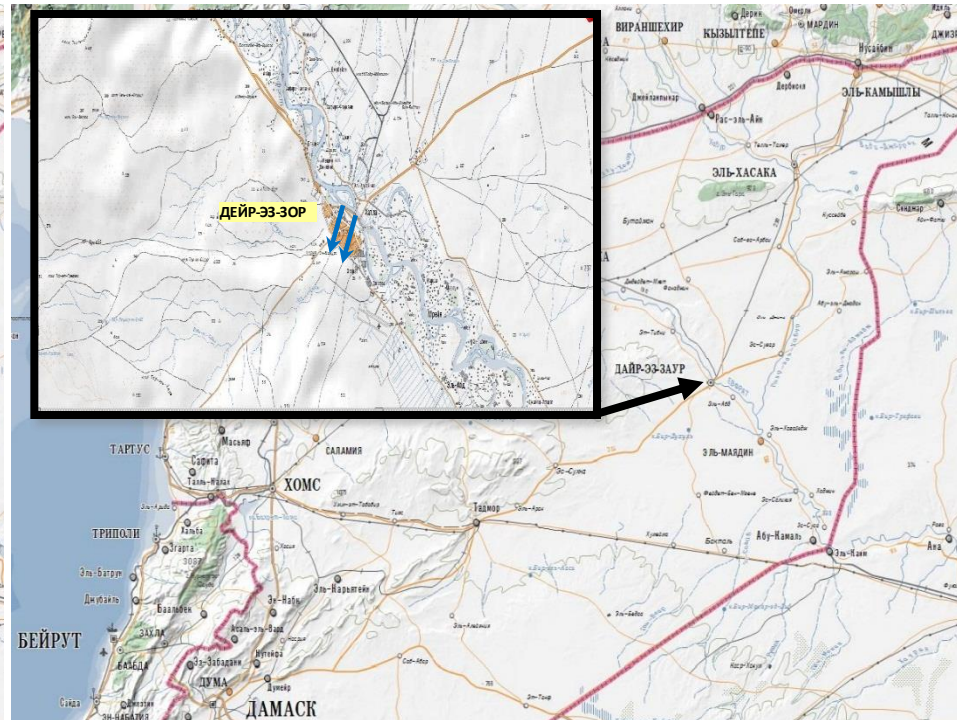

Moscow – 2016

The Strikes by US-led Coalition

1

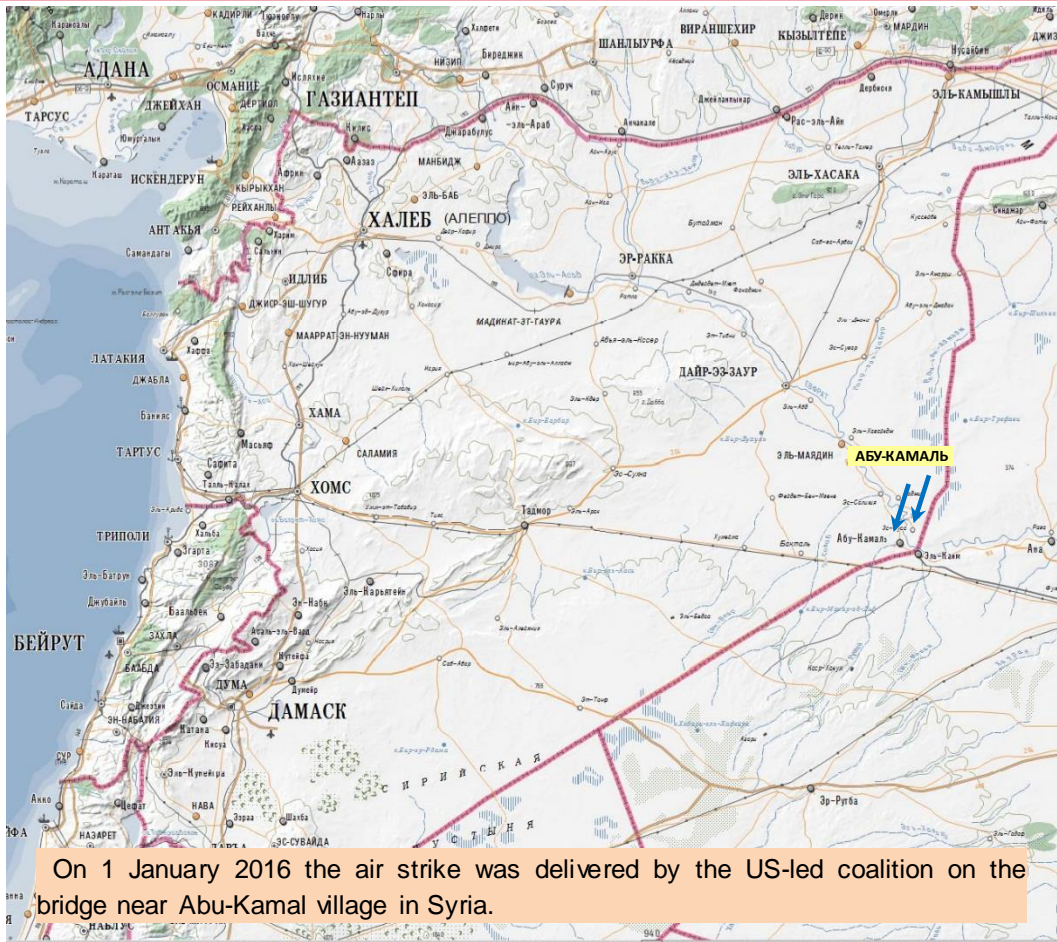

On 10 October 2015 the aviation of the US-led coalition destroyed a heat power plant in the area of Aleppo. As a result of this attack the supply of electricity stopped practically in all districts of the city and several social facilities including hospitals were cut off electric power.

On 6 December 2015 the Air Forces of the US-led coalition delivered a strike on munitions depot of the Syrian government troops in Deir al-Zor in the East of the country. As a result of this strike four soldiers of the government troops were killed, 16 were wounded and 2 battle tanks were damaged.

The Strikes by US-led Coalition

On the Syrian-Jordanian border near the city of Hirbat al-Gazala the ruins of farm structures were discovered that had been destroyed as a result of bombardment. Since the Russian and Syrian aviation never operated there no one else besides the coalition's planes could deliver strikes there.
